

The Terry Fox Foundation

Financial Statements

March 31, 2020

Independent auditor's report

To the Board of Directors of The Terry Fox Foundation

Our qualified opinion

In our opinion, except for the possible effects of the matter described in the *Basis for qualified opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of The Terry Fox Foundation (the Foundation) as at March 31, 2020 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

What we have audited

The Foundation's financial statements comprise:

- the statement of financial position as at March 31, 2020;
- the statement of operations for the year then ended;
- the statement of changes in net assets for the year then ended;
- the statement of cash flows for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies.

Basis for qualified opinion

In common with many not-for-profit organizations, the Foundation derives revenues from cash donations the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Foundation. Therefore, we were not able to determine whether any adjustments might be necessary to annual giving revenue, deficiency of revenue over expenses/distributions and cash flows from operating activities for the years ended March 31, 2020 and 2019, current assets as at March 31, 2020 and 2019 and net assets as at the beginning and the end of the years ended March 31, 2020 and 2019. Our audit opinion on the financial statements for the year ended March 31, 2019 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

PricewaterhouseCoopers LLP
PricewaterhouseCoopers Place, 250 Howe Street, Suite 1400, Vancouver, British Columbia, Canada V6C 3S7
T: +1 604 806 7000, F: +1 604 806 7806

Independence

We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The Terry Fox Foundation

Notes to Financial Statements

March 31, 2020

1 General

The Terry Fox Foundation (the Foundation) was established in 1988 to maintain the vision and principles of Terry Fox while raising money for innovative cancer research in an annual event known as The Terry Fox Run, The Terry Fox School Run, planned giving, and in memoriam gifts. In recent years' the Foundation has approved annual Terry Fox runs in many countries around the world and provides funding for cancer research in those countries.

The Foundation is a registered charitable organization under the Income Tax Act and, accordingly, is exempt from income taxes.

The Foundation was established as a Trust on May 26, 1988. On March 12, 1993, the Trustees of the Trust caused the incorporation of an entity known as The Terry Fox Foundation under the laws of Canada. On March 31, 1994, the Trustees transferred all assets and operations of the Trust to the new corporation and the corporation assumed the liabilities of the Trust.

The Terry Fox Research Institute (TFRI) oversees the Foundation's cancer research programs and works with various other organizations that specialize in managing cancer research projects. TFRI has a separate board and is not considered a controlled entity and, accordingly, is not consolidated in these financial statements.

2 Significant accounting policies

These financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the Chartered Professional Accountants of Canada (CPA Canada) Handbook – Accounting. The Foundation's significant accounting policies are as follows:

Revenue recognition

The Foundation follows the deferral method of accounting for contributions. Restricted contributions are deferred and recognized as revenue in the period in which the related expenses are incurred or the restrictions are met. Unrestricted contributions are recognized as revenue in the current period, if the amount to be received can be reasonably estimated and collection is reasonably assured.

Revenue from donations, sale of merchandise, royalties, planned giving and in memoriam gifts received in Canada are recorded in the year received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

Revenue from donations received outside of Canada and used for cancer research in those countries has been combined in these financial statements. The Foundation approves these international activities.

The Terry Fox Foundation

Notes to Financial Statements

March 31, 2020

Investment income comprises interest and dividends earned on investments. Fair value changes in investments are recognized separately and comprise realized and unrealized gains and losses on investments.

Interest income on short-term and long-term investments is recorded on an accrual basis.

Government grants are recorded as revenue in the fiscal year that the grants are designated to support and when collection is reasonably assured.

Cash and cash equivalents

Cash consists of short-term, highly liquid investments that are subject to insignificant changes in fair value, including cash on hand and deposits with financial institutions that can be withdrawn without prior notice. Cash is carried at cost, which approximates its fair value due to its short-term nature.

International funds held on behalf of the Foundation

The mission and vision of Terry Fox transcends beyond Canadian borders as many nations hold events to raise funds in Terry's name to support and promote cancer research in their countries. The Foundation and TFRI collaborate with local charitable organizations and research institutions to identify cancer research projects and programs for funding. International funds held on behalf of the Foundation represent amounts fundraised internationally and are held on behalf of the Foundation by various international organizations and financial institutions.

Distribution of funds

Research distributions to TFRI support cancer research including translational and discovery projects, research centres and training and the operating costs of managing those research programs. The Foundation recognizes a research distribution expense to TFRI when the transfer of funds has been approved for payment.

The Foundation recognizes international research distribution expenses when an approved research recipient has complied with the conditions of the grant or charitable activities and the Foundation has authorized the release of funds to the grant recipient.

Financial instruments

Financial instruments are recorded at fair value on initial recognition and subsequently at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Foundation has elected to carry its investments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

The Terry Fox Foundation

Notes to Financial Statements

March 31, 2020

Investments

Short-term investments include any term deposits, guaranteed investment certificates, treasury bills, bankers' acceptances, income funds, bonds or equities, with a term to maturity more than 90 days and less than one year. Short-term investments are measured at fair value with subsequent changes to fair value recognized as income in the year.

Long-term investments include any term deposits, guaranteed investment certificates, treasury bills, bankers' acceptances, income funds, bonds or equities, with a term to maturity of more than one year or that are related to internally restricted capital where the board intends to hold them for the long term. Long-term investments are measured at fair value with subsequent changes in fair value recognized as income in the year.

Capital and intangible assets

Capital and intangible assets are stated at cost, less accumulated amortization. Donated equipment is recorded at fair market value when received. Amortization is provided using the straight-line method and following annual rates:

Transportation equipment	5 years
Furniture and equipment	5 years
Computer equipment	3 years
Leasehold improvements	5 years
Software customization	5 years

Donated goods and services

Donated goods and services are recorded at fair value if they would have otherwise been purchased and if fair value can be determined.

Employee future benefit plans

The Foundation participates in a registered pension plan as an Affiliated Organization of the Registered Pension Plan for the Employees of the Canadian Cancer Society and Affiliated Organizations. In the past the plan offered both a defined contribution plan and a defined benefit plan.

As of January 1, 2016, the defined benefit provision of the pension plan was closed and no further defined benefit current service contributions were added, only grandfathering existing staff. All new and active members are under the defined contribution provision of the pension plan.

The defined benefit plan provides pensions based on length of service and final average earnings. Retired employees in the plan are eligible for certain post-retirement benefits. The benefits include medical services, life insurance, and extended health care benefits. The cost of these benefits is actuarially determined using the projected benefit method prorated on service and management's best estimate of salary escalation, retirement ages of employees and expected health care costs.

The Terry Fox Foundation

Notes to Financial Statements

March 31, 2020

The Foundation's contributions to the defined benefit pension plan and defined contribution plan are expensed when paid. Defined pension benefits and assets are estimated for all members of the plan. The liabilities for the defined benefit plan are unfunded and are not segregated by the entity and therefore no plan assets are reported.

Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated to Canadian dollars at the prevailing rates of exchange at the statement of financial position date. Revenue and expenses are translated to Canadian dollars at the exchange rates prevailing on the transaction date. Realized and unrealized exchange gains and losses are included in expenses.

Use of estimates

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations which require management estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Significant areas requiring management estimates include accrued liabilities and accrued payroll-related liabilities. Actual results could differ from those estimates.

3 Cash and cash equivalents

At year end, total cash and cash equivalents of \$9,372,493 (2019 – \$4,200,687) were held primarily to fund operations and anticipated disbursements to TFRI.

4 Investments

	2020 \$	2019 \$

	<u>531,718</u>	<u>225,623</u>	<u>306,095</u>	<u>327,814</u>

Amortization for the year amounted to \$90,407 (2019 – \$58,749) and is included in fundraising and administration expenses.

The Terry Fox Foundation

Notes to Financial Statements

March 31, 2020

7 Related party transactions

During the year, the Foundation distributed funds of \$23,566,010 (2019 – \$28,334,082) to TFRI. TFRI then distributed \$22,195,833 (2019 – \$26,807,962) of the total funds received to various institutes for cancer research.

Information on the distribution is provided in the audited financial statements of TFRI.

The total amount of funding provided to TFRI since its inception in 2007 has been \$192,657,117 (unaudited).

TFRI is a not-for-profit organization incorporated by letters patent to promote, advance and fund scientific research into the diagnosis, treatment and prevention of cancer. The Foundation provides TFRI with certain administrative functions including finance and payroll, at no charge to TFRI.

These transactions are in the normal course of operations and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

8 Fundraising

Included in fundraising expenses is \$2,807,945 (2019 – \$2,905,620) paid as remuneration to employees whose principal duties involve fundraising.

9 Employee future benefit plans

The Foundation participates in a registered pension plan with a defined contribution component and a defined benefit component as disclosed in note 2.

Defined contribution component

The Foundation made employer contributions to the pension plan in the amount of \$165,978 (2019 – \$144,543).

Defined benefit component

Defined benefit obligations are measured using actuarial valuations prepared for accounting purposes, based on the projected benefit method prorated on service (which incorporates estimates of future salary levels, other cost escalation, retirement ages of employees and other actuarial assumptions). The measurement date of the plan assets and defined obligations is January 31. The Foundation participates in the Canadian Cancer Society and Affiliated Organizations defined benefit pension plan. The Plan had an unfunded liability of \$12,020,000 as of January 31, 2020, the date of the last actuarial valuation. The unfunded liability is not allocated to individual employers such as the Foundation, and as such, the share of the liability is not reflected in these financial statements.

The Foundation has 15 employees or retirees eligible under this Plan and made contributions of \$69,504 (2019 – \$149,508).

The Terry Fox Foundation

Notes to Financial Statements

March 31, 2020

Liability for post-retirement benefits

The Foundation participates in a defined benefit post-retirement plan offered by the Canadian Cancer Society, for the grandfathered employees of the Foundation, prior to January 1, 2016. The liability as allocated to the Foundation was estimated at \$78,075 (2019 – \$75,340). The following assumptions were used:

	2020 %	2019 %
Discount rate	2.6	3.7
Salary increases	2.5	2.5
Inflation	2.0	2.0

10 Deferred contributions

Deferred contributions represent unspent funds donated to the Foundation that are restricted for specific purposes or future periods operating expenses as well as funds for capital purposes.

Balance – Beginning of year \$	Contributions \$	Amounts recognized as revenue \$	Balance – End of year \$
289,121	912,047	893,299	307,869

11 Internally restricted net assets

Internally restricted net assets consist of the Research Fund, representing funds received from the Province of BC and the Marathon of Hope Legacy Fund. The funds have been internally restricted by the Board of Directors for future use and are as follows:

	2020 \$	2019 \$
Research Fund	30,000,000	30,000,000
Marathon of Hope Legacy Fund	10,000,000	10,000,000
	<u>40,000,000</u>	<u>40,000,000</u>

The Terry Fox Foundation

Notes to Financial Statements

March 31, 2020

12 Commitments

Future minimum rental commitments under operating leases on leased premises are as follows:

	\$
2021	226,119
2022	197,086
2023	171,865
2024	162,673
2025	162,673
2026	89,805
2027	73,219
2028	73,339
2029	6,112
	<hr/>
	1,162,891
	<hr/>

In addition, a number of the lease commitments for premises and equipment are typically short-term and are subject to annual renewal.

13 Distribution commitments

The Foundation's single mission is to raise funds for cancer research. As such, it seeks advice and management for its cancer research programs from other organizations.

TFRI was established in 2007 to focus on translational cancer research projects and the Foundation committed to provide TFRI funding for its research programs and operations. TFRI is also developing and managing training and new investigator programs on behalf of the Foundation. In October 2009, TFRI was given the responsibility of overseeing all of the Foundation's cancer research programs, working in collaboration with others who also specialize in managing cancer research projects.

The Terry Fox Foundation

Notes to Financial Statements

March 31, 2020

The Foundation has committed to fund cancer research programs over the next five years as follows. The 2021 commitments initially planned for TFRI were \$18,787,568; however, this has been subsequently reduced to \$12,328,132. It is intended that the difference in commitments for 2021 will be deferred into future years once there is more certainty of the economic impacts from COVID-19.

	International \$	The Terry Fox Research Institute (research) \$	Total \$
2021	2,342,790	12,328,132	14,670,922
2022	316,319	12,834,266	13,150,585
2023	41,047	6,728,956	6,770,003
2024	-	2,436,189	2,436,189
2025	-	1,900,000	1,900,000
	<u>2,700,156</u>	<u>36,227,543</u>	<u>38,927,699</u>

In addition to the research funding, the Foundation has committed to fund the operations for TFRI for 2021. For the year ended March 31, 2020 the total administrative expenses of TFRI were approximately \$1.6 million. The operations funding commitment is re-evaluated each fiscal year, and funding is approved by the Foundation's Board of Directors.

14 Risk management

a) Interest rate risk

The Foundation's fixed income securities are subject to the risk that the values of the investments will fluctuate due to changes in market interest rates. The Foundation mitigates this risk with the advice from their investment advisors whom monitor changes in markets daily and recommend stabilization vs. diversification strategies.

b) Market risk and foreign currency risk

The Foundation's foreign equities are subject to the risk that values of the investments will fluctuate due to changes in foreign exchange rates. Returns on the Foundation's investments are subject to risk factors specific to general economic conditions. The market value presents the Foundation's exposure to market/credit risk. The Foundation mitigates this risk by investing in a portfolio that is diversified.

c) Cyber Security risk

One of the Foundation's international partners was subject to an external cyber attack during this current fiscal year, resulting in a loss of \$288,000 of international run revenues, which is accounted for in the administration expenses. As a result, controls surrounding the transfer of funds internationally are now subject to enhanced security checks to mitigate this risk in future.

The Terry Fox Foundation

Notes to Financial Statements

March 31, 2020

15 Subsequent events

In March 2020, the World Health Organization declared a global pandemic related to the coronavirus disease known as COVID-19 (COVID-19). The impacts to the economy are expected to be far reaching. The Canadian not-for-profit sector is expected to be impacted due to the economic environment and related uncertainty, which may cause a potential decrease in contributions and donations and may affect collectability and valuation of certain assets. The Foundation is closely monitoring the COVID-19 impacts and is proactively developing solutions in the event physical runs are not possible. Given the uncertainty with respect to run revenues in fiscal year 2020 due to the COVID environment, some reduction to the TFRI distributions have been made. It is intended for this reduction to be deferred to future years upon greater certainty of the Foundation's financial position.
