

The Terry Fox Foundation

Terry's Team

WHO QUALIFIES AS A TERRY'S TEAM MEMBER?

- Anyone who has a personal diagnosis of cancer, and is at any stage of their treatment or recovery
- And, a participant in The Terry Fox Run

In 1987, the Foundation introduced a special type of supporter: a Terry's Team Member (TTM). This person is anyone who has a personal diagnosis of cancer; is at any stage of his or her treatment or recovery; and is a participant in the Terry Fox Run.

In the early years of the TTM initiative, many Run sites struggled to find one person who would participate as a Terry's Team Member. Through the years, the idea of a "sea of red shirts" on Run Day has continued to grow and symbolizes that cancer research works! Seeing Terry's Team Members wearing their special red "Terry's Team" shirts before and on Run Day is truly inspiring. When you contact someone to ask if they would like to be a Terry's Team Member, or to invite them back again, it is important to tell them that the role of a TTM is to participate at the Run and to be actively involved in a way that works for them i.e. fundraising, volunteer, promotion, team captain, etc.

We are delighted to see Run Organizers reach out directly to members of their community to invite them to become a TTM and then build on the relationships each Run season. We would ask that you encourage those who can to register online at terryfox.org to receive their red shirt. There is no requirement to fundraise but it does allow the Foundation to open of channel of communication with these supporters and share news about our cancer research projects if they wish.
